

### REMARKS

In response to the Restriction Requirement in the Office Action mailed on August 13, 2003, the Applicant hereby elects the invention of Group I, apparatus claims 1-15. The remaining claims 16-22 are hereby withdrawn, without prejudice.

The Office Action further required a species election in the event Group I is elected. Inasmuch as the Applicant is electing Group I, the Applicant hereby further elects the species as viewed in Figure 2. As indicated in the Office Action, still-pending claims 1-5 and 7-9 are generic. In addition to claims 1-5 and 7-9, it is respectfully submitted that claims 6 and 10 are readable on the elected species.

The examiner's further consideration of the elected claims is respectfully solicited.

Respectfully submitted,

Richard B. Hoffman  
Reg. No. 26,910

Date: September 12, 2003
